Board of Selectmen Meeting  
September 27<sup>th</sup>, 2021

Called to order at 8:00am.

BOS Members Present: Joseph Varga, Michael Boisvert

Pledge Recited

Selectman Varga states today we are here to discuss and appoint a new Selectman to fill in James Knapp's vacant position. Selectman Varga states C. Mattocks has about as much time as us to put into the position and L. Britten has more time as he is retired. Selectman Varga states he is leaning more towards L. Britten because he can help out with the time aspect of the position. C. Mattocks asks if an alternate can be appointed for when a BOS member cannot attend. Selectman Varga answers that he is unsure of the answer. L. Britten states that what the town needs is a town manager. M. Knapp asks potential Selectman if they plan to run for Selectman in March. C. Mattocks answers at this point in time he is not in the position where he could. L. Britten answers he is planning on it. Selectman Boisvert states that both have great ideas and due to time restraints and everything C. Mattocks has going on that he too is leaning more with L. Britten. Selectman Boisvert makes a motion to appoint L. Britten as new Selectman until March 2022. Joe seconds. All in favor.

Selectman Boisvert motions to adjourn at 8:10am. Selectman Varga seconds. All in favor.
